

PREVENT THE SUMMER SLIDE!

EH SUMMER READING CHALLENGE

INCOMING 3RD-5TH GRADE STUDENTS

We want to challenge our Explorers to complete our Summer Reading Challenge! Our challenge will use an online news-as-literacy platform that features high-interest articles. Each leveled text features a quiz tailored to that particular article. Students will earn points based on the article they read and their percentage on the test. This challenge is open to our incoming 3rd-5th grade Explorers.

Two ways to Join:

Class Code: 8HSMDY

Class Link: <https://newsela.com/quickjoin/#/8HSMDY>

Class Name: NewsELA Summer Reading Program

Important: Your child must sign in using their assigned Etiwanda Google email, username and password.

When: May 28th to June 29th

On May 28th articles will be released for students to access.

Students will read articles online or on the NewsELA app. The app is available for iOS and Android. Students may choose any of the assigned articles found in their NewsELA Binder. Once they choose an article, they read and take an online quiz. If they earn 75% or higher they will earn 3 points. Students who need a chromebook to complete the challenge may keep their chromebook until 6/29 and return it to the school site on 6/30.

Challenge Prizes:
