

East Heritage Parent and Student Handbook 2020-2021

SCHOOL SUPERVISION BEGINS AT 7:55 A.M. Students will not be allowed on campus prior to this time. Students that are participating in Morning Milers or eating breakfast at school may enter the campus at 7:45 am. Students arriving on campus between 7:55 and 8:00 will proceed directly to the shade structure on the playground or participate in the Morning Milers walking program. When the bell rings at 8:00 a.m., all students not participating in "Morning Milers" will line up in their classroom lines on the playground. Kindergarten supervision begins 10 minutes prior to the start of each session in the Kindergarten area.

IMPORTANT DATES

Every Monday - Minimum Day Dismissal at 1:15 p.m. (except Kindergarten)

August 7	First Day of School
August 11	Back to School Night
September 7	Labor Day
September 28- Oct. 2	Parent/Teacher Conference Week - Minimum Days
October 12	Student Recess Day- No School
November 11	Veteran's Day - NO SCHOOL
November 20	Minimum Day (prior to Thanksgiving Break)
November 23-27	Thanksgiving Holidays - NO SCHOOL all week Minimum Day
December 17	Minimum Day
December 18 – Jan. 1	Winter Break - NO SCHOOL
January 4	Students Return
January 18	Martin Luther King Holiday - NO SCHOOL
January 25	Staff Development Day- NO SCHOOL
February 8	Lincoln's Birthday - NO SCHOOL
February 15	President's Day - NO SCHOOL
March 19	Minimum Day (prior to Spring Break)
March 22-26	Spring Break - NO SCHOOL
May 25	LAST DAY OF SCHOOL - MINIMUM DAY

ATTENDANCE

Regular on-time attendance is a must for children to make academic progress. An absent child misses valuable instructional time. The State acknowledges a limited amount of (only the following as) excused absences: student illness, bereavement, medical or dental appointment, or student appearance in court. All other reasons for absences are in direct conflict with California law and are considered unexcused. We appreciate your effort in having your child attend any portion of a day when full attendance is not possible. If your child has a doctor or dentist appointment, please bring an appointment slip verifying your visit.

When your child is absent, you may call our 24-hour automated attendance line at 803-3009 to report the absence. Absences are verified daily for your child's safety. Absences which have not been reported to the office by 10:00 a.m. will receive an automated call to verify. If you have already reported the absence yet still receive an automated call, you do not need to report the absence again.

Occasionally, situations arise when parents must be away from home for several days, taking students away from school. If this situation should arise, parents can make arrangements for an **Independent Study Contract**. This will allow the student to keep up with his/her work. Independent study can be given for up to 2 weeks of missed school days. Arrangements must be made one week in advance of the absence. Talk with the office staff to arrange an independent study contract. They will then make arrangements with the teachers.

TARDY POLICY

A very important part of school life and future success relates to promptness. Tardies, as we know, can sometimes not be helped; we all have family emergencies. However, excessive tardies are disruptive not only to the child who is tardy, but to the education of each child in the class. Please make every attempt to have your child arrive before the 8:10 bell rings. A tardy bell rings at 8:15 a.m. Students who arrive in their classroom after the tardy bell will be counted tardy by their teacher. After 8:25 a.m. please accompany your child into the office or send a note with your child explaining the reason for being late. In the case of frequent tardies, parents will be notified and consequences may result. Excessive tardies may also result in a referral to the School Attendance Review Board (SARB).

COMING AND GOING TO SCHOOL

Student Drop Off and Pick Up – We encourage all students who live in the Heritage Village to walk to school. When it is necessary to drive your child to school, please either: 1) use our Student Drop Off Area specifically designed for this purpose; or 2) park your car in any parking space (except staff parking) and escort your child through the parking lot. **Do not beckon to your child to cross our parking lot alone.** Our school rules do not allow children in the parking lot without a parent/guardian escort. Though, it may seem inconvenient to take a few extra seconds of time and a few extra precautions, your child's safety takes precedence. Do not park along the red curbs. Please remember that school transportation services have been suspended so we will have a significant number of students being dropped and picked up at one time. You will notice a few changes in our parking lot procedures for this reason. If you can make arrangements to pick up your child using the surrounding streets near our back field, walk your child to/from school, encourage your child to ride a bike (3-5 grade) etc. this will help to alleviate some of the congestion in the parking lot.

Back Field Gates- Because our student's safety is our number one priority, our back field gates will continue to close at 3:05 after the students are dismissed and re-open the next morning at 7:45. They will also remain closed during the weekends. Our back field gates have always been and will continue to be closed during the school day.

Picking Up A Student Early - School ends at 2:45 Tuesday through Friday and at 1:15 on Mondays (grades 1-5). Appointments and family plans should be made after dismissal time.

Each time a student is picked up early, he/she misses school time. The classroom is interrupted, and learning time is lost. Early pick-up of a student will be considered in the same way as late arrival in the morning. Early pick-up will be monitored and attendance procedures will apply to early pick-up. An appointment card or note from the doctor or dentist to verify appointment should be provided to the office upon pick up or sent to the office the following day.

When it is necessary for you to take your child out of school early, we require that a parent come to the office and sign out the child. This will help to assure a safe and secure campus. **Students will not be released to any adult other than those listed on your child's emergency form. It is of vital importance that you keep all emergency information up to date.** If it is necessary for someone other than those listed to pick up your child, we must have a written, signed and dated note from the parent to release the child. ID will be required for student pick-up.

Change In Routine - If you want to change your child's normal routine, (such as walking instead of being picked up, going to a neighbor's house, walking with another adult, etc.), please send a note with your child in the morning that is signed and dated. When a telephone call comes in, we have no way of making an accurate voice verification.

It is very disruptive to classroom instruction to interrupt with last minute messages for children. Depending on the time of day, the teacher's schedule, and how busy the office is, we cannot guarantee that your child will receive the message. Please limit last minute calls to *true* emergencies.

PARKING LOT SAFETY

At this time, our drop off and pick up is affected by the construction of our new office and library. When you enter the parking lot. Please follow the direction of the signage and East Heritage staff. This will ensure you and child can enter and exit the parking lot safely until construction is finished.

Our East Heritage parking lot becomes very congested both before and after school, and especially on rainy and windy days. All of us need to be safe, conscious and patient. This is especially true if you choose to drive your child to school. To help keep the parking lot safe for everyone, please adhere to the following:

1. If you choose to drop off or pick up your child you have three options:

- A. **Parking Lot Drop Off** – This area provides a quick way to drop-off or pick up your student. The drop-off is on your right immediately upon entering the parking lot and is designated by a yellow curb. Once you reach the yellow curb, students are to exit the car. This allows several cars to empty and exit at one time. Please do not have your children wait in the car until your each the “front” of the line. This only takes longer and makes everyone wait longer. Though this drop off line will back up into the street, it does allow you to drop off your child without having to exit your car or find a parking space. After school, students will wait in the designated area in front of the school for their ride to “pull up” at dismissal.

- B. **Street Drop Off** - On the school side of Constitution Way, from about 10 feet north of the crossing guard crosswalk to about 10 feet before the park, the City has removed the “no stopping” signs and designated this a “Drop Off Zone”. Though the city will not paint the curb yellow, this is a safe and legal place to drop off your children. Please note: You may not park in this area; you must stay with your car. Students may exit anywhere in this zone, then walk up the short sidewalk, cross by the bike parking area where there will be an adult on duty, and enter through the front gate. This area also allows you to drop off your child without having to exit your car, and avoids our crowded parking lot.
- C. **Parking in a parking space and escorting your child** - We have a steadfast rule at East Heritage for everyone’s safety: **Children are not allowed in the parking lot without a parent/guardian escort.** If you choose to enter the parking lot, find a parking space, and drop off your child, you will be responsible for escorting your child through the traffic, across the drop off/ pick up zone and to one of the entry gates. Children may not cross parking lanes without you, even if you are calling them to the car. This is for their safety. Though parents may prefer this option, please remember that this will be the option that requires the most time and patience on your part. Our parking spaces are very limited between 7:45-8:15 a.m. with many parents arriving to drop off their child. Parking spaces are also very limited at dismissal. Please use the crosswalks when walking your children across the parking lot.

2. **Do not stop in the driving lane or park in a space and wave your child to the car.** Children are never allowed in the parking lot without parent or guardian, as it is congested and unsafe for them.
3. **Please do not expect teachers to "walk or cross" your child to your car.** Teachers are on duty for *everyone's safety*, and can not escort individual children.
4. **Do not drop off or attempt to pick up your child along the red curb area.** Stopping at a red curb is illegal. It causes congestion for other drivers and is unsafe for your child.
5. **Do not use the Handicapped Parking as a Drop Off area** unless you have a Handicapped Sticker and are parking. We do have several parents with Handicapped Stickers who have a legal right and need to use this area.
6. **Make a plan with your student for pick-up.** This allows your student to find you quickly and safely.
7. **Please be on time when picking up your children.** Supervision is provided until 2:55 p.m. only.

The above drop-off rules apply each day including rainy and windy days. Your help in slowing down while in the parking lot, following the listed procedures and being patient will ensure the safety of your child, as well as all our East Heritage students.

VISITORS ON CAMPUS

We are limiting all classroom visits to prearranged observations and volunteers. All visitors are required to check in at the office upon entering campus. Identification badges will be provided. This helps to assure the safety of our campus for students and avoids disrupting the learning process.

ITEMS FORGOTTEN AT HOME

We encourage students to arrive at school prepared. Being prepared includes having their

lunch, backpacks, homework folders, and special event items needed for the day. We understand that children will occasionally forget their lunch, their homework or other items; however instructional time is valuable to all of our students and bringing in forgotten items should be the exception, not the rule. In an effort to minimize the disruption of instructional time, the school office **will not call classrooms** for students to pick up their forgotten items. Instead, a message will be placed in the teacher's box to have the student pick up the item at the next available break time. If your child realizes they do not have an item, they may. Stop by the office to check for it. **Do not deliver your child's forgotten item directly to the classroom or cafeteria - always check in the office first.**

MEDICATION

Prescription Medications - If your child is to receive medication during the school day, **it must be brought to the office by an adult in a container bearing a pharmacy label with directions for use. The medication must be accompanied by our school Medication Consent Form which needs to be signed and dated by the parent and the physician.** We will also accept a doctor's written consent on a regular prescription form.

Non-Prescription Medications - All over the counter medications, such as Tylenol, Sudafed, or cough drops, must also be in their original container with the child's name written on the outside and must also be accompanied by the signed consent of the parent and the physician.

All medication will be kept in the health office and dispensed by the office staff. It is imperative that medication not be sent to school in lunch boxes, backpacks or Ziploc baggies. This is to assure both the safety of the student taking the medication and other students as well.

STUDENT VISITS TO HEALTH OFFICE

Whenever a student is referred to the Health Office, a Health Referral Form will be completed indicating what the student's discomfort was and the action taken. A copy of this referral will be sent home with your child. For serious injuries or illnesses, we will make your child as comfortable as possible and then contact you at home or at work. If we are unable to reach you, we will contact the emergency number on your child's emergency card.

Student Accident Insurance is available through an independent insurance company. Applications are sent home with all students at the beginning of the year and are also available in the school office throughout the year.

LUNCH PROGRAM

The Etiwanda School District provides a complete hot lunch each day for student purchase in our cafeteria. Students may also pay biweekly or monthly by going on-line or by using an envelope and submitting it to their teacher. We encourage students to purchase on a biweekly or monthly basis, thus avoiding the possibility of losing lunch money here at school. When

prepaying, your child may choose to "use" their prepaid meals at any time during the year. They may choose to buy one day and bring the next. The cafeteria staff will keep track of the number of meals they have credited. Checks or cash are accepted. All students are assigned a lunch number. Students will "enter" their number on a keypad whenever they buy lunch. Please help your child learn his/her number as soon as possible in the school year. Cafeteria numbers remain the same throughout a student's school career at East Heritage.

Applications for free and reduced lunch are available all year in the school office or on the district web-site (look under "parent resources", then "lunch and menu information"). Free and reduced lunch applications must be renewed each school year.

When students forget lunch money, they may "charge" a lunch. A charge should be repaid the next day. A student with two unpaid charges will not be allowed further charges until the two existing charges are paid.

Hot lunch with drink \$3.00

LOST AND FOUND

If you become aware of a lost item of clothing or a missing lunch box or backpack, please check the lost and found, located outside the cafeteria by the front gate. The school is anxious to find the proper homes for these articles. It is a good idea to label all lunch boxes, backpacks, and items of clothing with your child's name. "Lost and Found" items not claimed are given to charity. We will not be held responsible for children bringing personal belongings.

ANIMALS

Do not bring animals when you come to pick up your student. Animals, other than those brought specifically for class purposes, are prohibited on school grounds. Children must have their teachers' permission before bringing pets to school for sharing. Any animal, reptile, or insect brought to school must be properly housed and transported to and from school by parents. By state law, no animals, reptiles, or insects are allowed on school buses.

PARENT VOLUNTEERS

We encourage parents to become involved in our school in a number of ways. Volunteers provide many services for students, and help to strengthen the relationship between the school and the community. In the classroom, parents can work with individual or small groups of students, read with students, tutor in math, assist with art or cooking projects, or share a special talent or activity. As an "at home" volunteer, parents can help gather and prepare materials for the classroom. Through our PTO, parents can become Room Parents, helpers to the Room Parent, or be involved in numerous PTO committees and activities. Please contact your child's teacher or the office if you are interested in volunteering. Remember, when volunteering at the school site, always sign in at the office and wear a "volunteer" badge while on campus. All volunteers must review and sign a Parent Volunteer packet.

BIRTHDAYS AT SCHOOL

Each year, parents ask about sharing their child's birthday or half birthday with their classmates. Here is a suggestion that is healthier than cupcakes but just as fun.

With your child's help, select and purchase a book to be donated to the classroom library or school library in honor of your child. Your child may bring the book wrapped and then open and present it to the class on his/her birthday.

We have special book plates that will be placed inside the book indicating that it was donated in honor of your child. The book will be placed in the class library for all to read and enjoy! In lieu of a book, you could donate a puzzle, game or other appropriate item that would be fun and memorable for your child. Check with your child's teacher if you would like other suggestions for classroom gifts.

We also have a "Birthday Book Club" in our library. Look for the information to come home regarding this opportunity.

If you prefer to send a "treat", our district wellness policy encourages healthy alternatives, such as fruit, vegetables and dip, etc. If you bring a sweet treat, we ask that it be single serving size and limited to one item such as a cupcake, cookie, granola bar, etc. Do not bring treats that must be cut and served in the classroom; for example cake. Please check with your child's teacher before you bring in any treats. Birthday treats will be enjoyed during recess time.

Balloons, floral arrangements, singing telegrams and other personal deliveries will not be delivered to classrooms.

ALLERGEN FREE

We have numerous students with various food allergies. For this reason, we ask that you take the following precautions seriously:

1. If at all possible, please consider not sending nut products to school with your child.
2. Please consult with the teacher before sending in a classroom treat.
3. Please remind your child not to share food with other students.
4. We do have a "allergy free" table in the cafeteria. If your child has food allergies, they are welcome to

use this table during lunch.

REPORT CARDS/PARENT CONFERENCES

Our reporting system includes a Parent-Teacher conference held in November. At this conference, you will learn how your child scored on standardized tests administered the previous year. The teacher will also discuss the child's present classroom performance level, social adaptability and future plans. Parents or teachers may, as the need arises, request additional conferences at other times during the year. Three report cards are issued; the first in November, the second in February, and the last at the close of school. If a student is doing

unsatisfactory work, a Deficiency Notice will be sent home between the sixth and ninth week of each trimester.

TEXTBOOKS AND SUPPLIES

Students will be provided with all necessary textbooks and all basic school supplies. Each child is responsible for giving textbooks, library books and calculators proper care. Textbooks are individually checked out to each student through our library barcode system. In the case of lost or damaged books or calculators, the child is held responsible, and parents will be billed for the

replacement cost. Final report cards, or permission for library checkout, will not be issued until reimbursement is made. Students will also be held accountable for other classroom supplies -- crayons, scissors, rulers, protractors, etc. In cases of irresponsible damage or loss, parents. May be asked to replace the. item. Students in grades 1, 2, 3, 4 and 5 are required to cover their textbooks with an easily removable, non-damaging type cover. Make sure the tape adheres to the cover not to the book. Taping to the book will result in book damage and a damage fee will be assessed. Teachers will demonstrate and assist in this process.

HOMEWORK

Homework is an essential part of the educational program. Homework will be assigned on a regular basis. Homework assignments should reinforce the development of skills, encourage family participation, develop good personal study habits, and may include occasional special projects which may require more time. Each teacher will assign a minimum number of minutes of reading per night, in addition to other homework. Students can use these reading minutes toward our Reading Incentive Program. The school provides a folder for each student for the purpose of bringing homework and school communication to and from home.

Teachers will be expected to:

- Assign homework to extend, reinforce or enrich the education program.
- Explain the homework assignment.
- Monitor and/or evaluate the completion of homework.

Parents will be expected to:

- Check with their child on a daily basis to see what homework is due.
- Provide a quiet place at home to do homework.
- Monitor the completion of homework and the return of homework to school.
- Sign homework as requested.

Students will be expected to:

- Take homework home.
- Do homework correctly and neatly.

- Have parent or guardian check the homework.
- Return it to school on time.

INSTRUMENTAL MUSIC

Fifth Grade students have an opportunity to join the East Heritage Elementary School instrumental music program. Students leave their classroom each week for instrumental music instruction and are expected both to practice their music and keep up with their regular studies. Additional information will be forthcoming.

CHILD ABUSE REPORTING

All employees of a public school are mandated reporters of suspected child abuse. While a report is rarely made, there are occasions when an unusual injury is observed, or when a student tells school personnel about a questionable injury or event. A report is made only if the employee is concerned for the welfare of the child. A report is not an accusation. It is simply a request for someone to investigate for the good of the student. School personnel are not able to talk with parents about any reports made.

DISCIPLINE

Enclosed in our "first day" packet and/or registration packet is our Discipline Policy. Parents are asked to review this policy with their children, sign receipt of acknowledgement and return it to school. Please note the attached references to California Educational code regarding serious offenses which may result in suspension or possible expulsion.

CITATION SYSTEM

For those times when a student chooses to break a rule, we have developed a Citation System. Citations may be issued by any supervising adult. The citation will indicate which rule was broken and what the consequence was. Citations will be sent home to be signed by the parent and returned the following day. Citations may result in either recess/lunch detention or a loss of other privileges.

AFTER SCHOOL DETENTION POLICY

As you will read in our Discipline Policy, our discipline plan includes a consequence of after school detention. The purpose of detention is to provide a safe, although negative, deterrent for students who choose to break school rules, are habitually late to school, or consistently do not complete school work. The staff of East Heritage aims to promote responsible students who strive to make good decisions in life and play. We hope that this policy will aid in this endeavor.

The duration of detention may range from 15 minutes to one hour depending on the student's age and the infraction. Teachers will supervise the detention of their own students and/or other teacher's students.

Teachers will be communicating to you what their detention policy will entail. Each teacher, therefore, may have a slightly different set of rules for his/her classroom. It is the responsibility of the teacher to provide you with the circumstances of misbehavior or irresponsibility resulting in detention and a 24 hour notice prior to keeping your child for detention. It is the responsibility of your child to see to it that any detention notices sent home with him/her are received by you.

Due to the fact that students serving detention will be late departing from school, it will be the parent's responsibility to see that appropriate and safe transportation arrangements to home are made.

STUDENT RECOGNITION

Students in Grades 1-5 have the opportunity to earn a variety of awards both school wide and in their classrooms.

Monthly awards include: Outstanding Citizenship

Student of the Month
Accelerated Reader Awards
Various academic awards
Classroom awards – varies by teacher.

Trimester Awards
The Etiwanda School District recognizes student in Grades 4-5 who earn a Grade Point

Average of 3.0 or above. These awards are given at our Trimester Awards Assemblies: Honor Roll --- 3.0 to 3.59 GPA and an "O" or "G" in Citizenship

Principal's Honor Roll – 3.6 to 4.0 GPA and an "O" or "G" in Citizenship

READING INCENTIVE PROGRAM

To encourage a love of reading and enjoyment of good literature "Accelerated Reader" is our school-wide program. Students are recognized when they accomplish their goals. Grades 1-5 participate in this program.

LIBRARY POLICY Grades 1 - 5

Each classroom will visit the library on a weekly basis. Kindergarten children will enjoy periodic "Story time" from the Library Clerk and/or Library Volunteers. Children in Grades 1-5 will check out books weekly or biweekly and may bring home their books. Books will be due either weekly

or biweekly. Students with overdue books will not be allowed to check out another book until the overdue book is returned.

Parents can help their children in the following ways:

1. Have a special place to keep the library book – out of the reach of young children and pets.
2. Assist in finding a good place to read—a quiet place with good light.
3. Enjoy the books with your child. Let him/her share them with you. Encourage primary children to read/enjoy a book over and over. You can't get enough of a good book!
4. Help your child to remember to return the book to school **on time – please!**
5. Please send any library books accidentally damaged to school to be repaired. Please do not attempt to mend them at home.
6. If a book is lost or damaged beyond repair, parents will be asked to pay replacement cost. Students will not be allowed to check out an additional book and final report cards will not be issued until the lost book is replaced.
7. Visit the library with your child after school.

In addition to library books, the same guidelines and sense of responsibility apply to all textbooks that are brought home from school.

Make sharing a good book a nightly event with your child!

Etiwanda School District Student Dress Code

General Rules: The Etiwanda School District prohibits any manner of dress or appearance that is likely to cause a substantial disruption of,

or a material interference with, the educational process, student safety, or campus order.

1. All students are expected to comply with the District dress code.
2. Students and parents share primary responsibility for student compliance with the dress code.
3. School personnel also are responsible for enforcing the dress code when students are on campus or at a school function.
4. A student who violates the dress code may not remain at school or at a school function unless the violation is corrected. For example, the student may be asked to:
 - a) Remove the accessory; or
 - b) Turn the clothing inside out; or
 - c) Have other clothing brought from home.

SPECIFIC RULES: The examples following the rules are not intended to be a complete list.

1. Clothing and accessories must not display obscene or sexual content, racial slurs, hate language,

profanity, violence (including depictions of weapons, explosives, death, or graphic injuries), or drug-, alcohol- or tobacco-related content. No gang-related clothing as defined in Attachment A.

2. Clothing must not be revealing.

- a) No short shorts (shorts must be fingertip length when arms are placed at side of body).
- b) No short skirts (hems must not be higher than 3" above top of knee when standing).
- c) No low-cut tops.
- d) No short tops. Midriff must be covered when arms are raised overhead.
- e) No halter-tops, tube tops, strapless or backless tops.
- f) No spaghetti-strap tops.
- g) Tank-style tops are allowed; strap must measure 2 inches wide.
- h) No undergarments may show.
- i) No see-through clothing.
- j) No excessively tight clothing.
- k) No torn clothing above the knee.
- l) No pajamas.

3. Clothing must not be baggy.

- a) Pants and shorts must be worn at the waist.
- b) Pants, shirts and shorts must be size appropriate; size appropriate clothing does not fall off without a belt, and is not too long or too large to impede movement.

4. Belts must be threaded through all belt loops.

- a) No belt ends hanging down from the buckle.
- b) No chain belts.
- c) No wallet chains.

5. Shoes must meet safety standards. Shoes must be closed-toed (Elementary only), shoes must have closed-heel or have a strap across the back.

- a) No flip flops
- b) No combat-style boots.
- c) No untied or unfastened shoes or boots.
- d) No shoes with wheels or rails.
- e) No slippers

6. Hats or caps may be worn outdoors for sun protection, but must be removed when entering buildings. All head coverings are subject to Rule 1 regarding prohibited content and should be worn facing forward.

7. Accessories and jewelry worn in pierced areas of the body must not substantially disrupt or materially interfere with student safety or instruction (e.g., spiked jewelry). Jewelry worn in face and body piercings must be removed for activities such as PE at the discretion of the teacher. Jewelry is subject to the same content standards as other apparel.

Board Review: April 16, 2015

Etiwanda School District Student Dress Code Attachment A

The following attachment to the Etiwanda School District Student Dress Code defines gang related apparel as apparel that, if worn or displayed on campus, reasonably could be determined to threaten the health and safety of the school environment at schools in the Etiwanda School District. The list was developed with consultation from the San Bernardino County Sheriff Department and the Fontana Police Department.

A gang is defined as a group of persons, most often juveniles, who are associated for criminal or other antisocial purposes.

After consultation with local law enforcement agencies, Rancho Cucamonga and Fontana, the District has determined that a gang presence has been established in the district boundaries which threaten the safety and welfare of the schools' environment.

The gang apparel defined and described below has been identified as being associated with the specific gangs. Therefore, the presence of the described apparel on campus poses a hazard to the health and safety of the school environment, and is likely to substantially disrupt or materially interfere with school operations.

Prohibited Gang Related Apparel:

1. Clothing that depicts tagging or spraying of graffiti.
2. Clothing marked with numerals, letters or words that may be interpreted as demonstrating gang affiliation:
 - Numerals: 8, 69 and 420 (drug affiliation), 13 (affiliation with the Sureno gang), 14 (affiliation with the Nureno gang), 22 (Vagos motorcycle gang) with color green, 81 (Hell's Angels) with color red, 18 (18th Street gang).
 - Letters/Words: southsider, southerner, Sureno, low-rider, homies
 - No "Raiders" attire with or without Raider's logo (black and silver colors).
 - San Francisco 49ers attire is directly related to the Southside Fontana gang.
3. Wearing an overwhelming amount of red ("Bloods") and/or blue (Crips") clothing garments on a continuous basis.
4. Bandanas worn as head coverings, accessories or hanging from pockets.
5. Belts with more than one buckle.
6. No initials on belt buckles, hats, chains, ex... K, P, C, B, H
7. Clothing that depicts violence: guns (scarface, 2 pac)

Board Approved Revision: April 16, 2015
